Thursday, September 30, 2010, 7:00 – 10:00 pm
780 Ross Lane, Erieau
Erieau Firehall – Community Room

Thursday, September 30, 2010, 7:00 – 10:00 pm
786 Dufferin Avenue, Wallaceburg
Wallaceburg Service Centre – Community Room

The same materials will be presented and reviewed at each of the three Public Open Houses.

The Municipality of Chatham-Kent has recently initiated the Shoreline Areas Sustainable Community Plan/Secondary Plan Study. The purpose of this study is to develop a vision and more detailed planning policy direction and a sustainable strategy for all lands within proximity to the Municipality's lakes and rivers, including Lake St. Clair, Lake Erie, the Thames River, the Sydenham River and Chenal Ecarte (the Snye River), as well as the shorelines themselves. The study is intended to take a sustainable, balanced approach to planning, in which economic growth can occur without compromising natural and cultural heritage resources.

The public is invited to attend the second Public Open House to review the study's purpose and timeline, background information, and provide input to the study. Work undertaken to date will be presented, including the Draft Framework Report – Towards a Sustainable Shoreline, which identifies the draft vision statements, key issues, options and recommendations to develop a sustainable shoreline. The study will culminate in the preparation of a Secondary Plan and Community Sustainability Plan for the shoreline areas.

- 7:00 to 7:30 p.m. – Review of display materials; consultants/staff available to answer questions.
- 7:30 to 8:30 p.m. – Presentation followed by question and answer period.
- 8:30 to 9:45 p.m. – Workshop to review key issues, options and recommended directions.

See back for R.S.V.P. contact information

In an effort to confirm numbers for the public open house and workshop, we would request that you please R.S.V.P. to (519) 360-1998.

If you cannot attend the meeting, you can email comments to marshac@chatham-kent.ca or to Planning Services, 315 King Street West, P.O. Box 640, Chatham, Ontario, N7M 5K8, Attention: Sustainable Shorelines.

Thank you in advance for your attendance. We look forward to your participation in this exciting and important study.
