<p><b>Items for Discussion</b></p>	<p><b>Corporate Art Acquisition Policy</b></p> <p>The sub committee has been working on the concept of a policy for general guidelines for art acquisition along with suggestions on a process for Council to consider. They have contacted administration directly involved with the arts to gather pros and cons.</p> <p>Also, they have researched other municipalities who have a policy including Calgary, Victoria and Thunder Bay. All had a different mandate and included a variety of funding ideas and forms of art.</p> <p>The CSPC commented they had a better understanding of what an arts acquisition policy could include and the benefits such as Windsor's Waterfront Sculpture Park and drawing artists to the community.</p> <p>The sub committee will also research municipalities Council often use as comparators and will prepare a report for information to Council.</p>	<p>Marlee/Gus</p>
