

Public Utilities Commission for the Municipality of Chatham-Kent

Drinking Water Quality Management System

CK PUC Operational Plan

DWQMS Element 14 – Review and Provision of Infrastructure

Purpose

This policy identifies how the Public Utilities Commission for the Municipality of Chatham-Kent (C-K PUC) annually reviews the adequacy of the infrastructure needed for the efficient operation and maintenance of its drinking-water systems.

Scope

This policy applies to all processes used and C-K PUC personnel responsible for reviewing the adequacy of this infrastructure.

Policy

1.0 Infrastructure Review

1.1 The Infrastructure Review Procedure – Control No. 2000674 describes the process for the review of the infrastructure adequacy. The procedure also describes the provision of infrastructure, and the communication of the review findings to the Owner.

2.0 Associated Forms, Procedures, Work Instructions

3.0 Records

- Infrastructure Review Procedure – Control No. 2000674
- Infrastructure Recommendation Report
- Meeting Minutes
- Water & Wastewater Budget Report
- Water & Wastewater Services – Major Plant, Grounds & Equipment Maintenance/Replacement Report
