Green in my world
Orange in my world
Red in my world
White in my world
Yellow in my world

... *Harold* hoped he could see his bedroom window
from the top of the mountain.

But as he looked down over the other side he slipped -

And there wasn't any other side of the mountain.
He was falling, in thin air.

But, luckily, he kept his wits
and his purple crayon.

Harold and the purple crayon by Crockett Johnson
