

TILBURY SANITARY SEWER REHABILITATION – PHASE 1

The Chatham-Kent PUC has retained Thames Valley Engineering Inc. to proceed with design and implementation of sewer rehabilitation works within the Community of Wallaceburg. The works include conventional excavation and installation for the repair of sewers and maintenance-hole replacement. The majority of the works performed will have minimal disruption to localized areas in the Community. We ask you to have patience as these tasks will be ongoing from July and expected to continue until October 2010.

The streets that will be affected consist of:

Street	From	To
Canal Street	Foster Street	Ella Street
Fort Street	Carlyle Street	Ella Street
Forest Street	Fort Street	Stewart Street
Stewart Street	Park Lane	Ella Street
Gladstone Avenue	Ella Street	Lawson Street
Lawson Steet	Gladstone Avenue	south cul-de-sac

Every effort will be made to minimize inconvenience to the public.

If you have any concerns or questions about this project please do not hesitate to call either of the following two project contacts:

Win Elzinga, P.Eng.
 Project Manager
