

**CHATHAM SANITARY SEWER REHABILITATION  
COMMUNITY OF CHATHAM PHASE 2**

The Chatham-Kent PUC has retained Stantec Consulting Ltd. to proceed with design and implementation of sewer rehabilitation works within the Community of Chatham. The works include trenchless technologies for relining of certain sewer section, also known as no-dig operations. The work will also include some maintenance-hole replacements. The majority of the works performed will have minimal disruption to localized areas in the Community. We ask you to have patience as these tasks will be ongoing from late July and expected to continue until October 2010.

The Streets that will be affected in **Phase 2** consist of:

| Street          | From            | To             |
|-----------------|-----------------|----------------|
| Lorne Avenue    | Lacroix Street  | Queen Street   |
| Raleigh Street  | Richmond Street | Spencer Avenue |
| Patteson Avenue | Raleigh Street  | Queen Street   |
| Gray Street     | Lacroix Street  | Queen Street   |
| West Street     | Richmond Street | Spencer Avenue |
| Harvey Street   | Lacroix Street  | Queen Street   |
| Bothwell Street | Richmond Street | Southerly      |

Every effort will be made to minimize inconvenience to the public. Disruption in your local area will be reduced through the use of trenchless techniques.

*THIS PROJECT IS BEING FINANCIALLY SUPPORTED IN PART WITH THE ASSISTANCE OF THE  
FEDERAL AND PROVINCIAL – INFRASTRUCTURE STIMULUS FUND*
